

DIOCESE OF OWENSBORO
2017 Annual Report

His Eminence Timothy Cardinal Dolan and Most Reverend William F. Medley visit Most Reverend John J. McRaith at the Carmel Home on February 11, 2017.

A Message from the Bishop

Dear Sisters and Brothers in Christ,

In Deuteronomy 28:12 we read, "The Lord will open the heavens, the storehouse of His bounty, to send rain on your land in season and to bless all the work of your hands." God is indeed blessing the work of our hands, the work of the Church in the Diocese of Owensboro. This account presents us an opportunity to thank and to acknowledge by name some of our generous partners in service.

Your gifts support the education of our future priests; assist us in educating our youth in Church teachings; help us evangelize hundreds of young people through camp at Gasper River; provide benefits for our retired priests; allow us to reach the poor and indigent in our communities; and build parish endowments. By our charity and good works, we indeed "go and make disciples of all nations" (Matthew 28:19).

Thank you. Always remember that we all make an impact on the Catholic Church of western Kentucky. We all share in the mission of the Church; we are all Missionary Disciples.

Yours in Christ,

Most Reverend William F. Medley

Independent Auditor's Report

Diocesan Finance Council, Roman Catholic Diocese of Owensboro

We have audited the accompanying combined financial statements of the Roman Catholic Diocese of Owensboro (Chancery and Certain Entities) (Diocese) (a nonprofit organization), which comprise the combined statements of financial position as of June 30, 2017 and 2016, and the related combined statements of activities and cash flows for the years then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies

used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the combined financial statements as a whole. The combining statements of financial position and the combining statements of activities on pages 28-31 are presented for purposes of additional analysis and are not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audits of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the combined financial statements as a whole.
