| In the past 14 days, have you traveled to a state with a 15% or higher positivity COVID-19 rate? | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| If you answered yes to the above question, did you either self-quarantine for 10 days upon your return or self-quarantine for 5 days and then take a COVID-19 test? | <input type="checkbox"/> Yes | <input type="checkbox"/> No |

If you answer “yes” to any of the questions listed above, except the last question, or your temperature is 100.4°F or higher, please do not go into work. An employee who experiences any of these symptoms should not report to work. Instead the employee should contact his or her employer for further direction. The employee should also contact their doctor or use telemedicine and be tested for COVID-19 immediately.

Fully vaccinated persons (individuals who are more than 2 weeks post the receipt of their final dose) with an exposure to someone with suspected or confirmed COVID-19 are not required to quarantine if they remain asymptomatic after exposure. Fully vaccinated individuals (who are more than 2 weeks post the receipt of their final dose) do not have to follow the above travel guidelines.

Employees are required to return this form at least weekly to the person at the diocesan location who handles human resources or payroll.
