

The background of the page features a large, semi-transparent coat of arms of the Diocese of Owensboro. The coat of arms is a shield with a central vertical element, a crown on top, and a banner across the middle. The shield is divided into four quadrants, with a central vertical element. The crown is ornate and features a cross on top. The banner across the middle contains text, though it is not legible here. The entire coat of arms is rendered in a dark red color, matching the background.
