# Extended Continuation Election

## Accident, Critical Illness, Hospital Indemnity

**You can continue your Accident, Critical Illness, and/or Hospital Indemnity coverage when you leave your employer.**

To keep your Accident, Critical Illness, and/or Hospital Indemnity coverage under extended continuation, fill out the attached application and return it to Anthem. We must receive your application within 31 days of your last day worked.

### **How much will it cost?**

You'll pay the same rate for Accident and/or Hospital Indemnity that you paid through payroll deduction with your employer.

You'll pay the same rate for Critical Illness that you paid through payroll deduction with your employer but the Critical Illness rate is based on your age. When you move into a new rate bracket due to your age, your rate will change.

Call us at 1-844-639-0947 to find out how much your monthly premium will be to continue your coverage.

You'll get a bill each month for your continued coverage. You need to mail a check for your full premium amount shown on the bill and the payment coupon to Anthem every month, to the address shown on the payment coupon. If we do not receive premium within 31 days from the due date, your coverage will end and cannot be reinstated.

### **How long can I continue my coverage?**

You can continue Critical Illness coverage and Accident coverage as long as your prior employer continues their Anthem plan, or until you reach age 85, whichever comes first. If your prior employer terminates their Anthem plan, your coverage ends when the Anthem plan ends.

You can continue your Hospital Indemnity coverage as long as your prior employer continues their Anthem plan, or until you reach age 85, or for three years, whichever comes first. If your prior employer terminates their Anthem plan, your coverage ends when the Anthem plan ends.

### **Can I continue coverage for my covered family members?**

You can only continue coverage for your family members who you cover under your plan only if you elect to extend your own coverage. Family members' coverage can't be continued without also continuing your own coverage.

### **Your Certificate of Coverage**

Keep the Certificate of Coverage your employer gave to you. The same Certificate of Coverage applies to your Extended Continuation coverage.

### **How can I get more information?**

If you have questions about this information or need help filing out the Extended Continuation form, call us at 1-844-639-0947.

## To Employee of the Diocese of Owensboro

As you begin this transition in your life, you have options on continuing your life and accidental death and dismemberment (AD&D) insurance coverage that you have with Diocese of Owensboro. Outlined below are some details on the two continuation options you have:

- Portability
- Conversion

You may continue the amount of basic and supplemental life and AD&D insurance coverage that you have upon leaving employment from the Diocese of Owensboro. You may also choose to continue a lower amount of insurance.

Enclosed you will find a Portability application, a Portability Rate Sheet and a Conversion application including rates. If you decide to continue your life insurance coverage, you must choose either Portability or Conversion. You will find a brief description to aid you in making your selection.

### **Portability**

Portability offers **group term life and AD&D coverage** in accordance with the plan you had under your employer, based on the portability rate sheet enclosed. The maximum amount of coverage you may continue under portability is the lesser of (a) 5 times your annual earnings, or (b) \$750,000. Under the terms of the policy, you may be eligible to continue your life coverage upon termination of coverage or if you retire or you are working less than the minimum number of hours as described under the eligible groups in your plan. You are not eligible for portability if the reason for your loss of coverage is due to group policy termination or if you are on a leave of absence when you retire.

### **Conversion**

Conversion offers **individual whole life coverage** with no supplementary benefits such as waiver of premium, accidental death and dismemberment or accelerated death benefit. However, there is a cash value build up, which begins after the whole life coverage has been in effect for two years (rate sheet enclosed). You will note that these rates are significantly higher than the Portability rates due to the cash value feature.

**You must apply for coverage by completing either the Portability form or the Conversion form.** Application for either coverage must be made within **30 days** after your group insurance coverage ends, along with the required premiums made payable by check or money order to Unum Life Insurance Company of America. The completed form and premiums must be mailed to:

Unum Life Insurance Company of America  
Portability/Conversion Unit  
2211 Congress Street  
Portland, Maine 04122-1350

Failure to forward the applicable premiums with your application will result in a denial of your request to continue your coverage. Under the Portability coverage, you have the option to pay your premium annually, semi-annually or quarterly.

***Applications received after the above noted deadlines or without required premiums will be denied.***

To ensure you do not lose the opportunity to continue these valuable Employer sponsored benefits, if you intend to apply for continuation, please complete the forms contained in your exit packet. Please contact the Diocese of Owensboro HR department or the person responsible for benefits at you location if you have any questions.

**If you have questions relevant to these options, your eligibility, or the status of your application, please call a Unum Life Insurance Company of America representative at 1-800-421-0344.**

Sincerely,

The Diocese of Owensboro Human Resource Department

Important Information When Considering Portability Coverage

When your group term life insurance coverage ends, either because your employment has terminated or you no longer are eligible to participate in your employer's group life policy, you have two choices for continuing your life insurance coverage: Portability or Conversion. While there are a number of differences between portability and conversion, some key considerations are:

- Portability allows you and your dependents to continue (or "port") your Life and/or AD&D coverage at group rates. The ported coverage will be subject to the same provisions contained in your employer's group life insurance policy. Importantly, you cannot port coverage for anyone who has an injury or sickness which has a material effect on life expectancy.
• Conversion allows you and your dependents to purchase individual life insurance policies (but not AD&D) at rates that may be higher than portability rates. The conversion policies you choose will not contain the exact same coverage you had under your employer's group life insurance policy. Unlike portability, conversion is available even if you or your dependents have a sickness or injury which has a material effect on life expectancy.

If you believe Portability is right for you, read the information below to determine whether you and your dependents are eligible to port your coverage.

PORTABILITY COVERAGE IS NOT AVAILABLE FOR ANYONE WITH AN INJURY OR SICKNESS WHICH HAS A MATERIAL EFFECT ON LIFE EXPECTANCY. This means individuals diagnosed with, or having received medical advice or sought treatment for, any of the following injuries or sicknesses in the past 10 years cannot elect this coverage:

Table with 2 columns listing medical conditions such as AIDS, ALS, Cerebral palsy, Chronic renal disease, Chronic lung disease, Cirrhosis of the liver, Congestive heart failure, Coronary artery disease, Cystic fibrosis, Dementia, Diabetes, Drug or alcohol abuse, Hepatitis B or C, High blood pressure, Leukemia, lymphoma, Morbid obesity, Muscular dystrophy, Psychiatric hospitalization, Quadriplegia, Stroke, Systemic lupus erythematosus.

If you are not sure whether anyone applying for this coverage has an injury or sickness in the list above, then attach to this election form the name of the individual with the injury/sickness, his/her relationship to you, a description of the condition, and any current medications. Unum will review the information provided and let you know whether portable coverage is an option.

Important: When a life insurance claim is submitted to Unum on an individual who died within two years of the date that portability coverage became effective, Unum reviews medical records to determine whether the deceased individual was eligible for portability. If Unum determines the deceased individual wasn't eligible for portability due to an injury or sickness which had a material effect on life expectancy, the beneficiary will not receive the portability amount elected. Instead, the beneficiary will receive a significantly reduced benefit (or possibly no benefit at all). Please see the Portability section of your employer's group policy for an explanation of how the benefit may be reduced.

If after reading the information on this page you believe you and/or your dependents aren't eligible to elect portability coverage, remember that you and your dependents may qualify for conversion coverage. Contact your employer for the conversion application form and rates.

If you believe you and/or your dependents are eligible for portability, continue to page 2.

## Important Information

### What type of coverage can be ported?

- **Basic Life** is insurance that your employer provided for you when you were in active employment.
- **Supplemental Life** is insurance elected by you for which you paid the premiums when you were in active employment.
- **AD&D** is Accidental Death & Dismemberment coverage and may not exceed Life coverage.

### What are your employer's responsibilities?

- Fully complete Section 1 on page 3 of this election form and provide it to the employee. Incomplete election forms may result in a denial of coverage.
- Provide the portability rate table to the employee.

### What are your responsibilities as the employee?

- Complete Section 2 on page 3 and the Beneficiary Designation Form on page 4. Incomplete forms may be denied.
- Portable coverage is available in amounts up to your current coverage amounts without evidence of insurability—but cannot exceed \$750,000 across all Unum Life and AD&D coverages, the lesser of 5x salary or \$750,000 or the maximum allowed under your plan across all Unum Life and AD&D coverages combined.
- If you wish to elect coverage in an amount other than your current coverage amount, provide the requested amounts. Coverage is subject to the minimum and maximum limits provided in the employer's policy. Contact your employer for a copy of the group life insurance policy.
- Please remember to (1) include your ACH form; (2) sign and date page 3 of this election form; (3) designate a beneficiary on page 4; and (4) retain a copy of this entire form for your records.
- Mail pages 3 and 4 of this election form to the address listed at the top of page 3.

### What should you know when completing your Beneficiary Designation Form?

- **Primary Beneficiary(ies)** means the person(s) you choose to receive your insurance benefits. Please specify the percentage of the benefit you want paid to each beneficiary; these percentages should total 100%. If any primary beneficiary is disqualified or dies before you, his/her percentage of the benefit will be paid to the remaining primary beneficiary(ies).
  - **Contingent Beneficiary(ies)** means the person(s) you choose to receive your insurance benefits only if all primary beneficiaries are disqualified or die before you. Please specify the percentage of the benefit you want paid to each beneficiary; these percentages should total 100%. If any contingent beneficiary is disqualified or dies before you, his/her percentage of the benefit will be paid to the remaining contingent beneficiary(ies).
  - **Minor Beneficiary(ies)** – When you designate minors as beneficiaries, it is important to understand that insurance benefits may not be released to a minor child. They may, however, be paid to a child's court-appointed financial guardian. The regulations governing minor beneficiaries vary by state.
  - **Trust** – You may designate a valid trust as a beneficiary.
  - **Updates to Your Beneficiary Designation** – You can change your beneficiary designation at any time. You may wish to review your designation periodically.
  - **Consult an Attorney** – This information is not intended to be relied on as legal advice. You may wish to get the assistance of an attorney to help ensure your beneficiary designation correctly reflects your intentions.

## Frequently Asked Questions

This FAQ is to assist you in answering questions you may have or receive about the communication received from Unum regarding portability premium rate changes.

If you have additional questions after reviewing the FAQ, please contact your Unum representative, or contact us at AskUnum@unum.com.

**Please note that existing group employer rates are NOT changing. The change applies to portability rates.**

**Q What is portability?**

**A** Portability is a continuation of coverage option under Unum's group term life and AD&D insurance policies. When an employee's relationship with their employer changes — either because they're leaving the company, or they're no longer eligible for coverage — portability provides an option for employees to keep their term life and AD&D coverage at group rates. This is also called "porting" coverage.

**Q Why am I receiving this communication?**

**A** After careful consideration, Unum has determined it is necessary to adjust group life portability rates. This communication is to inform you that your group life portability rates are changing effective May 1, 2022.

**Q What coverages may be impacted?**

**A** Your life insurance portability rates are impacted.

**Q I thought the portability premium rates would never change.**

**A** Unum periodically reviews experience and reserves the right to adjust premium rates for portable coverage based on financial experience and demographic trends. These changes are separate from the regular rate adjustments that occur when the insured reaches a new age bracket.

**Q How were the new portability premium rates determined?**

**A** The portability rates were updated based on Unum's review of the claim experience and demographic trends and encompassed the analysis of both past and expected future experience of the block.

**Q What is the effective date of my client's portability rate change?**

**A** The new portability rates become effective May 1, 2022. Employers should update the portability rates offered to employees who qualify for the portability provision coverage after April 1, 2022 for an effective date of May 1, 2022. It is important that you update the group life portability rates anywhere they may have been posted for you and your employees' reference. Please also communicate this information to your Benefit Administration partners as needed.

**Q Will employer portability rates be adjusted in the future?**

**A** Unum tries to minimize changes to the premium rates but reserves the right to make adjustments in order to meet future claims obligations.

**Q What are the new portability rates?**

**A** Please refer to the attached rate sheet for the new life insurance portability rates.

**Q Will those who have already ported their coverage be impacted?**

**A** Employees who have ported their coverage may be impacted. Unum is communicating directly with individuals who are impacted.

**Q I have Unum's AMS Portability & Conversion Services, what do I need to do?**

**A** Please update the group life portability rates anywhere they may have been posted for you and your employees' reference. If Unum provides Portability and Conversion Services to your company, the portability application package provided to insureds from Unum will be updated by Unum to reflect the new portability rates
