## **Safe Environment/Ambiente Seguro**

**Appreciation:** Many thanks to all the individuals at parishes and schools who keep child protection a focus in all activity plans. With more and more people understanding and following consistent standards in interactions with minors, our youth will learn to better develop healthy personal boundaries that reflect their great value in God's eyes.

**Agradecimiento:** Gracias a todos los individuos en las parroquias y escuelas que mantienen un enfoque en la protección de los niños durante todas las actividades. Con más y más personas que entienden y siguen las normas consistentes en sus interacciones con menores de edad, nuestros niños aprenderán a desarrollar límites personales más sanos que reflejan su gran valor en los ojos de Dios.

**Children's Annual Safe Environment Training:** Beginning this fall the diocese will replace its prior children's training options with the "Circle of Grace" curriculum, developed by the Archdiocese of Omaha, to teach Safe Environment concepts to children (kindergarten to grade 12) in parish and Catholic school programs. "Circle of Grace's" faith-based, age-appropriate materials will be available to appropriate personnel shortly (definitely by August 1); and a process of continuing feedback from those using the curriculum will strengthen presentation effectiveness. Required documentation associated with this training will not change.

**Entrenamiento Anual de Ambiente Seguro con Niños:** Empezando este otoño, la diócesis reemplazará las previas opciones para entrenar a los niños con un currículo desarrollado por la Arquidiócesis de Omaha llamado “Círculo de Gracia”, para enseñar los conceptos de Ambiente Seguro a los niños (de kindergarten al 12vo grado) en los programas de parroquias y escuelas católicas. Los materiales de “Círculo de Gracia” basados en la fe, apropiados por las distintas edades, serán disponibles para el personal indicado pronto (antes del 1 de agosto); y un proceso de evaluación por los que usan el currículo ayudará a mejorar la eficacia de las presentaciones. Los documentos requeridos para este entrenamiento no cambiarán.

**End-of-Year Reporting:** Information regarding last year’s children’s trainings should all have been turned in by now, and the Parish/Principal Annual Reporting Form (PARF) is still due July 15<sup>th</sup>. If there are any questions from Safe Environment contacts or pastors or principals, please feel free to contact the Office of Safe Environment to speak with Molly Thompson or Janice Hendricks.

**Adult Compliance:** The office has undergone many changes in the handling of Safe Environment compliance processes since February so individuals needing to become Safe Environment-compliant should definitely be directed to the diocesan Safe Environment page ([owensborodiocese.org/safe](http://owensborodiocese.org/safe)) to proceed.

**Cumplimiento de los Adultos:** Desde febrero la oficina ha hecho varios cambios en su forma de manejar los procesos de cumplir con las normas del Ambiente Seguro, entonces los que necesitan cumplir con las normas deben visitar a la página diocesana de Ambiente Seguro ([owensborodiocese.org/safe](http://owensborodiocese.org/safe)) para hacerlo.

Deacon John Cecil will talk about “Trust” on Wednesday, Aug. 14 at Mount Saint Joseph Conference and Retreat Center (12 miles west of Owensboro on Hwy. 56). The struggle is real. The retreat will be led by Diane Millis, PhD, an author, speaker and retreat leader. She is a teacher at the United Theological Seminary of the Twin Cities in Minnesota.
