

The Diocese of Evansville announces the opening of a search for the next President for Mater Dei High School.

Since 1949, Mater Dei students are provided a faith-based education rooted in the Roman Catholic tradition. We strive to educate the whole child by blending learning with faith and by making faith an integral part of the school day. Mater Dei offers a comprehensive academic program with over 95% of its students going on to college. The Indiana Department of Education has recognized the school as a “Four Star School” and “A” school.

Mater Dei High School seeks a dynamic leader as its next President. The school utilizes the President/Principal model. The President functions as the chief executive officer, reporting to the Priest-Delegate and Superintendent of Schools. Mater Dei seeks candidates with exceptional relationship-building, interpersonal, and communication skills that inspire collaboration from all internal and external constituent groups. Candidates should possess significant management experience, financial acumen, and expertise in business management, as well as experience in planning and overseeing extensive capital and building projects to enhance facilities. In addition, the President must demonstrate a proven track record of acquiring funds through the identification, cultivation, and solicitation of major gifts from individuals, foundations, and corporations. The President should be capable of leading a team of administrators, possess an understanding of the President/Principal model of administration, and be comfortable working with an advisory Board.

Applications will be accepted until the position is filled. The anticipated start date is July 1, 2019. Please send a cover letter and current resume to
