"[Mission Eucharistic Life] completely changed my perspective, gave me an opportunity to help others and offer it up, and inspired me to continue serving when I get home. I want others to feel this way."

-Demi, St. Joseph catholic Church, Bowling Green

"It is an eye-opening experience and a great way for people to meet others their age and grow in faith and fellowship."

-Nichole, St. Mary of the Woods Catholic Church, Whitesville

On the same night that Jesus instituted the Eucharist, he taught us to live Eucharistic by washing the feet of the disciples.

"...so that as I have done for you, you should also do." John 13: 15
