### PARISH ANNUAL REPORTING FORM (PARF)

#### Excerpts Developed from Bishops *Charter for the Protection of Children and Young People (Charter)* and diocesan sexual abuse policy (SAP):

#### INFORMATION ABOUT REPORTING ABUSE:

##### Charter:

- Article 2—The procedures for those making a complaint are to be readily available in printed form and other media in the principal languages in which the liturgy is celebrated in the diocese and be the subject of public announcements at least annually.
- Article 4—Diocesan personnel are to comply with all applicable civil laws with respect to the reporting of allegations of sexual abuse of minors to civil authorities and cooperate in their investigation in accord with the law of the jurisdiction in question.

##### Sexual Abuse Policy (SAP):

- Article 7.1—As required by Kentucky Revised Statutes (K.R.S. 620.030), anyone who obtains information of known or suspected physical or sexual abuse, neglect, or exploitation of a current minor, shall report it immediately to the proper authorities (local law enforcement agency, the Kentucky State Police, the Cabinet for Health and Family Services, local Commonwealth attorney, and/or local county attorney), according to KY Statutes. In the Commonwealth of Kentucky felony crimes, which include sexual abuse, have no statute of limitations.
- Article 7.2—In addition, anyone who knows or has reason to know of an incident of sexual abuse by anyone acting in the name of the Church shall report the incident as soon as possible by contacting the Pastoral Assistance Coordinator using the Diocese’s dedicated phone line.
- Article 7.3—This does not require any clergy member to violate the priest/penitent privilege conferred by the Sacrament of Reconciliation(ref. K.R.S. 620.030(4); CIC, cc. 1388§1 and 983§1, §2).
- Art. 12.5.4--Each Diocesan location shall maintain and make available current written documentation (names and telephone numbers) of the appropriate law enforcement person(s) to contact in the respective county for reporting allegations of sexual abuse.

#### ADULT SAFE ENVIRONMENT COMPLIANCE

##### Charter:

- Article 12—Dioceses/eparchies are to maintain “safe environment” programs which the diocesan/eparchial bishop deems to be in accord with Catholic moral principles. They are to be conducted...to provide education and training for minors, parents, ministers, employees, volunteers, and others about ways to sustain and foster a safe environment for minors.
- Article 13—The diocesan/eparchial bishop is to evaluate the background of all incardinated priests and deacons. When a priest or deacon, not incardinated in the diocese/eparchy, is to engage in ministry in the diocese/eparchy, regardless of the length of time, the evaluation of his background may be satisfied through a written attestation of suitability for ministry supplied by his proper ordinary/major superior to the diocese/eparchy. Dioceses/eparchies are to evaluate the background of all their respective diocesan/eparchial and parish/school or other paid personnel and volunteers whose duties include contact with minors. Specifically, they are to utilize the resources of law enforcement and other community agencies. Each diocese/eparchy is to determine the application/renewal of background checks according to local practice.

##### SAP:

- Art. 12.1.1—At determined intervals the Diocese will require “safe environment” training which the Bishop deems to be in accord with Catholic moral principles. This training will include information about sexual abuse and ways to make and maintain a safe environment for children and young people. It will also make clear the standards of conduct for all persons in positions of trust with regard to children.
- Art.1.3.2—Every employee and any volunteer ministering with minors or vulnerable adults is required to: (1) read this [Diocese of Owensboro sexual abuse] policy, (2) acknowledge an understanding and acceptance of it, and (3) agree to abide by it.
- Art. 10.2.1—All members of religious orders/congregations and all clerics and religious from other dioceses must comport with the policies and procedures of the Diocese of Owensboro in addition to those of their own order/congregation or diocese. In the event the two policies conflict, the policy of the Diocese of Owensboro takes precedence.

## STANDARDS OF BEHAVIOR:

### Charter:

- Article 6—There are to be clear and well publicized diocesan/eparchial standards of ministerial behavior and appropriate boundaries for clergy and for any other paid personnel and volunteers of the Church with regard to their contact with minors.
- Article 10—The whole Church, at both the diocesan/eparchial and national levels, must be engaged in maintaining safe environments in the Church for children and young people.
- Article 12—Dioceses/eparchies are to make clear to clergy and all members of the community the standards of conduct for clergy and other persons with regard to their contact with minors.

### SAP:

- Art. 10.2.1—All members of religious orders/congregations and all clerics and religious from other dioceses must comport with the policies and procedures of the Diocese of Owensboro in addition to those of their own order/congregation or diocese. In the event the two policies conflict, the policy of the Diocese of Owensboro takes precedence.
- Art. 12.1.1—At determined intervals the Diocese will require “safe environment” training which the Bishop deems to be in accord with Catholic moral principles. This training will include information about sexual abuse and ways to make and maintain a safe environment for children and young people. It will also make clear the standards of conduct for all persons in positions of trust with regard to children.
- 12.2.1 Safe Environment Background Check: According to Article 13 of the Charter, Diocesan background checks will be conducted at determined intervals for “all incardinated and all non-incardinated priests and deacons who are engaged in ecclesiastical ministry in the diocese and of all Diocesan and parish/school or other paid personnel and volunteers whose duties include ongoing, unsupervised contact with minors.”
- 12.3.1 quotes Charter Article 6 (see above).
- 12.3.2 Since the Diocese presents appropriate ministerial standards of conduct within its Safe Environment training, any serious breach of these standards of conduct may result in termination of employment, removal as a volunteer, and/or dismissal from a program.
- 12.3.3 for clerics
- 12.5.5 No one should be left alone in a supervisory capacity. There should always be a minimum of two Safe Environment-cleared adults even if a teen under the age of 18 is assisting.
- 12.3.4 Both adults and minors involved in Diocesan activities use a Code of Conduct to assist in determining appropriate behavior. If any sexual misconduct involving minors occurs, including that between minors, at any Diocesan location or event, the Pastoral Assistance Coordinator should be contacted for guidance and direction.
