

Welcome, Roman Catholic Diocese of Owensboro, to TrueScripts!

We are pleased to announce effective 9/1/2023, TrueScripts will be partnering with the Roman Catholic Diocese of Owensboro as your NEW prescription management company! We will work with you as a team to achieve the best possible value from your prescription benefit plan. We strive to provide cost-effective solutions without interfering with the quality of your healthcare. Here are some key points to keep in mind effective 9/1/2023:

1. You will be receiving **new insurance ID cards** from Anthem with the TrueScripts pharmacy billing information. It is imperative that you present this card to your pharmacy when filling prescriptions on or after 9/1/2023; this includes refills. We also suggest telling the pharmacy staff you have switched to TrueScripts – this will minimize any confusion and delays in filling your prescription.
2. **90-day supply prescriptions** can still conveniently be filled at any retail pharmacy. In addition, you may continue to use your current pharmacy! Any retail pharmacy can be utilized and is in network.
3. If you have a **Prior Authorization** in place for a medication or taking a **Specialty Medication**, please contact our Member Care staff prior to 9/1/2023 to prevent disruption at the pharmacy. If you are not sure if a prior authorization is in place for any of your current medications, please contact us and we will verify if one is required.
4. The TrueScripts Member Portal gives you 24/7 access to your plan information, claims history, and other tools and resources that will help you save money and get the most out of your prescription benefits. To register please visit memberportal.truescripts.com.

Our friendly Member Care staff is available to address any concerns discreetly and with a professional attitude. Please contact us toll free Monday-Friday 8:00 a.m. – 6:00 p.m. EST at (844) 257-1955 with any questions. Again, welcome to TrueScripts. We look forward to a long and successful partnership with you!
