INDEPENDENT AUDITOR'S REPORT

Board of Directors
Catholic Foundation of Western Kentucky, Inc.

Opinion

We have audited the financial statements of the Catholic Foundation of Western Kentucky, Inc. (Foundation) (a nonprofit organization), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Catholic Foundation of Western Kentucky, Inc. as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, Continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of assets held for others on page 16 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

1. Organization and Summary of Significant Accounting Policies

Nature of Organization

The Catholic Foundation of Western Kentucky, Inc. (Foundation), an independent nonprofit corporation founded in 1986, was formed to provide financial support for the spiritual, educational, and social needs of the Catholic community. This mission is fulfilled by seeking endowment funds to support program objectives, helping donors achieve their charitable and financial goals, and helping parishes, schools, and Catholic organizations meet their long-term financial needs. The Foundation financial statements report an Endowment Fund, as well as assets held for others.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Basis of Presentation

The financial statements of the Foundation have been prepared in accordance with U.S. generally accepted accounting principles, which require the Foundation to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Foundation's management and Board of Directors. The Foundation has no assets without donor restrictions.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Cash, Cash Equivalents, and Restricted Cash

The Foundation considers all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors to be cash and cash equivalents. Cash and highly liquid financial instruments that have donor-imposed restrictions limiting its use is reported as restricted cash in the financial statements. The Foundation had no restricted cash at June 30, 2025 and 2024.

NOTES TO FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

1. Organization and Summary of Significant Accounting Policies, Continued

Investments

Investments are stated at fair value. Investments acquired by gift are recorded at the fair value on the date the gift was received. Investment income that is initially restricted by donor stipulation and for which the restriction will be satisfied in the same year is included in net assets without donor restrictions. Other investment return is reflected in the statement of activities as with or without donor restrictions based upon the existence and nature of any donor or legally imposed restrictions. Investment return includes unrealized gains and losses and is reported net of investment expenses.

Contributions

Contributions received are recorded as revenue depending on the existence and nature of donor-imposed constraints. This includes without donor restriction, restricted for a specific time period or purpose, or restricted in perpetuity.

Contributions that are restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire in the same reporting period. All other restricted contributions are reported as increases in net assets with donor restrictions. When restrictions expire (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Functional Expenses

Expenses are charged directly to program or supporting services categories based on specific identification, as summarized in the statement of functional expenses.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

CATHOLIC FOUNDATION OF WESTERN KENTUCKY, INC.

NOTES TO FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

2. Liquidity and Availability of Funds

The Foundation's financial assets consist entirely of donor funds restricted for time or purpose, or in perpetuity. As disclosed in Note 6, the Foundation's spending policy permits an annual appropriation from these funds restricted for time or purpose for general expenditure by the Diocese in an amount not to exceed 5% of the average fair value of the investments at the prior three fiscal year ends. The Foundation does not incur operating expenses. The sole expenses of the Foundation are the disbursements to the Diocese for program services and management fees, both of which are calculated based on investment return.

3. Investments

Investments in the Endowment Fund consist of the following at June 30:

	2025		2024	
	Cost	Fair Value	Cost	Fair Value
Cash and cash equivalents	\$ 234,363	\$ 234,363	\$ 349,702	\$ 349,702
Mutual funds	9,205,141	14,968,543	9,014,022	13,608,771
	\$ 9,439,504	\$ 15,202,906	\$ 9,363,724	\$ 13,958,473

The following schedules summarize the Endowment Fund investment return and its classification for the years ended June 30:

	With Donor Restrictions	
	2025	2024
Interest and dividends	\$ 306,337	\$ 240,131
Unrealized gains (losses)	1,168,651	1,563,546
Realized gains (losses)	338,488	463,343
Investment fees	(57,908)	(45,918)
	\$ 1,755,568	\$ 2,221,102

4. Split Interest Agreements

Charitable Gift Annuities

The Foundation administers a charitable gift annuity program which provides for the investment of contributions made by individuals from which a periodic contractual annuity payment is made to the annuitant. The assets received are held as investments of the Foundation at fair value, and a liability is recorded for the estimated present value of the estimated future payments to be made to the donors and/or other beneficiaries. At the date of gift, the difference between the fair value of the assets received and the present value of the liability is recognized as contribution revenue. The liability is valued on a recurring basis

NOTES TO FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

4. Split Interest Agreements, Continued

Charitable Gift Annuities, Continued

using generally accepted fair value measurement methods. As required distributions are made to the annuitants, or upon death of annuitants, the related reductions in the liability are reported as changes in the value of annuity net assets. In addition, if annuitants designate in the annuity agreements a beneficiary other than the Foundation, upon death, the remaining investment balance for that annuity is distributed to that beneficiary. The annuity obligation balance at June 30, 2025 and 2024, totaled \$232,374 and \$238,853, respectively.

5. Assets Held for Others

Assets held for others represent funds managed by the Foundation on behalf of other Catholic organizations. The assets are stated at fair value, with a corresponding liability reflected in the statements of financial position. Additional investments by these organizations, as well as investment return, investment fees, and withdrawals, are reflected as adjustments to the liability account, and are not reflected in the statement of activities. Assets held for others consist of the following at June 30:

	2025		2024	
	Cost	Fair Value	Cost	Fair Value
Cash and cash equivalents	\$ 525,904	\$ 525,904	\$ 704,000	\$ 704,000
Mutual funds	19,034,321	28,411,411	18,384,092	25,508,353
	\$ 19,560,225	\$ 28,937,315	\$ 19,088,092	\$ 26,212,353

Activity in assets held for others was as follows for the years ended June 30:

	2025	2024
Balance, beginning of year	\$ 26,212,353	\$ 25,275,298
Deposits	495,772	75,235

NOTES TO FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

6. Endowment Fund

The Foundation's Endowment includes funds established for various purposes, and includes both donor-restricted funds and funds designated by the Board of Directors to function as endowments. Assets held for others are not a part of the Endowment Fund. Net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The state of Kentucky has enacted the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA) legislation. The Board of Directors has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulation or implicit donor intention to the contrary. The Foundation classifies as permanently restricted net assets the original value of contributions to the permanent endowment and the original value of any such subsequent contributions. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure.

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide funding to programs supported by its endowment, while seeking to maintain purchasing power of the endowment assets. For donor-restricted funds, the Foundation's spending policy permits annual appropriations of temporarily restricted net assets in amounts not to exceed 5% of the average fair value of the investments at the prior three fiscal year ends. Unrestricted funds that are board-designated may be expended as deemed prudent; however, the Foundation has historically followed the practice of appropriating in the same manner as for the donor-restricted funds described above. The principal balances of original gifts, whether donor-restricted or unrestricted, are never invaded.

	<u>\$ 14,974,626</u>	<u>\$ 13,723,600</u>

7. Net Assets Released from Restrictions

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by the occurrence of other events specified by donors totaled \$651,926 and \$72,858 for the years ended June 30, 2025 and 2024, respectively. These were used for general Diocesan use.

8. Fair Value Measurements

The Foundation has adopted the provisions of FASB ASC 820, Fair Value Measurements. FASB ASC 820 establishes a framework for measuring fair value and establishes a three-tier hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows:

Level 1: Quoted prices for identical assets or liabilities in active markets.

Level 2: Observable inputs, such as quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in inactive markets, or unobservable inputs that are derived principally from or corroborated by observable market data.

Level 3: Unobservable inputs that are based on the Foundation's own assumptions as to how knowledgeable parties would price assets or liabilities that are not corroborated by market data. The Foundation had no Level 3 investments as of June 30, 2025 or 2024.

There were no transfers between levels for the years ended June 30, 2025 and 2024.

9. Income Taxes

The Foundation is a nonprofit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Foundation believes that it has support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. As a religious organization, the Foundation is not required to file annual federal or state information returns.

NOTES TO FINANCIAL STATEMENTS

Years Ended June 30, 2025 and 2024

10. Concentration of Credit Risk

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

11. Related Party Transactions

The Roman Catholic Diocese of Owensboro (Diocese) charges a fee to the Foundation for administrative, human resources, legal, and accounting support. While the Diocese and the Foundation share a common purpose to support the region's Catholic community, the Foundation is not controlled by the Diocese and, therefore, reports its financial position and activities separately from the Diocese. Related party transactions for fiscal years 2025 and 2024 were as follows:
