

# LANGUAGE STUDIES

## AT THE MEXICAN AMERICAN CATHOLIC COLLEGE

*Are you seeking to learn Spanish in a small class setting with individualized attention?*

Then **MACC** is the place for you!

MACC offers an excellent pastoral language program for those wanting to acquire proficiency in Spanish.

-  The **Intensive Spanish** Program is for persons who need to learn Spanish for business, travel, health care, or other settings not related to ministry.
-  The **Intensive Pastoral Spanish** is for persons who need to develop their language skills to minister to those in need of pastoral care, liturgical celebrations, preaching, and other facets of pastoral ministry.

Course sessions are four weeks and are taught at levels ranging from beginner to advanced. We offer a supportive environment that encourages participants to practice their new language skills. Special classes for vocabulary and practice of terminology, specific to the participant's needs, personalize and enrich the overall learning experience.

The MACC Campus includes a beautifully designed Shrine of Our Lady of Guadalupe and chapel, a language lab and The Elizondo Library and Archives. Our resident halls offer out of town participants comfortable accommodations with internet access in each room.

*"It was a great experience of a language course with great and highly capable, devoted, and faith-filled teachers. The pastoral lectures on the history and dynamics of Hispanic ministry are so unexpected but highly informative bonus. I did not only learn the language, I also grew in my knowledge of the Hispanic culture, and came to appreciate more their deep Christian faith which they are willing to share with the rest of the world. My stay at MACC was for me, another God-moment in my life."*

Okeke Cornelius

*"MACC offers an excellent program in Pastoral Spanish. It integrates study of the Spanish language with pastoral and cultural presentations that provide resources for Hispanic ministry. Daily Mass and prayer are also an integral aspect of the MACC Program."*
